EXPERIENCE

ONEYES INFOTECH SOLUTIONS | Full Stack Developer Intern
July 2025 – Present | Chennai, India

- Working on the development of a **Unified Assessment Platform**, a full-stack web application for managing and conducting assessments for students, instructors, and administrators.
- Contributed to **Figma-based UI/UX designs** for student, instructor, and admin dashboards using modern design principles.
- Collaborating with the team to implement role-based authentication, assessment creation workflows, and performance analytics.
- **Current Progress:** 20% of the project completed; actively involved in front-end architecture and component planning.

PROJECTS

UNIFIED ASSESSMENT PLATFORM | Full-Stack Project
Jul 2025 – Present

- Designed **15+ responsive UI screens** using **Figma** for a role-based assessment platform for students, instructors, and admins.
- Created layout designs for login/signup flows, dashboards, test-taking modules, and evaluation tools.
- Collaborated with a 4-member team to define core modules including authentication, assessment creation, and performance visualization.
- Planned implementation using **React.js**, **Tailwind CSS**, **Node.js**, **Express.js**, and **MongoDB**.
- Currently at **20% completion**, with design phase finalized and development environment being set up.

PERSONAL PORTFOLIO WEBSITE | Front-End Project
July 2025 – Present

- Designed and developed a fully responsive portfolio website to showcase personal projects, skills, and resume.
- Built from scratch using **pure HTML, CSS, and JavaScript** without any external frameworks or libraries.
- Implemented features like smooth scrolling, responsive navigation bar, and interactive UI elements.
- Includes sections like About Me, Projects, Skills, and Contact, along with a downloadable resume.

REACT NOTE MAKER | React Project
June 2025

- Developed a single-page **note-taking application** using **React.js**, with responsive design and component-based architecture.
- Implemented features to **create, edit, and delete notes** with real-time UI updates using React state management.
- Focused on clean UI using **CSS Flexbox/Grid** and minimal design aesthetics.
- Optimized for both desktop and mobile browsers with responsive layout.

EDUCATION

DMI COLLEGE OF ENGINEERING
Bachelor of Technology in Information Technology
Expected 2026 | Chennai, India
Cum. GPA: 7.6 / 10.0

AIYEESHA RAZZAC MAT HR SEC SCHOOL
· HSC
Completed 2022 | Chennai, India
Percentage: 69.5%
· SSLC
Completed 2020 | Chennai, India
Percentage: 77.2%

SKILLS

PROGRAMMING
- Python
- HTML
- CSS
- JavaScript
- React

TECHNOLOGY
- Git/Github

CERTIFICATIONS & COURSES

- **Python Programming** — Guvi (2023) Completed an intensive course covering core Python concepts, OOP, file handling, and problem-solving basics.
- **Distributed Systems** — NPTEL (2024) Gained foundational knowledge of distributed computing.
